MEMORANDUM FOR : Audit Liaison Officer

SUBJECT : ITTEK Proposal to Furnish Ten (10)
Measurement Viewers

1. Attached are two copies of an ITTEK proposal to furnish 10 Measurement Viewers, Programming Services and a Training Program. The Contractor proposes the work be accomplished on a CPTF basis as a continuation of Contract No. HB-300.

2. The 10 Viewers are of two different configurations; 5 are identical to the two units presently in HB-300 and 5 having a greater capability or more advanced versions. The two units on contract are scheduled for delivery in December 1959 and February 1960.

3. Based upon the foregoing, it is requested Contractor's proposal be analyzed for reasonableness of price and your comments furnished thereon.
